Product List

Sweet Fig Jam- The figs used to make this jam come from the tree in Lynn's back yard. They are Adriatic figs and usually ripen in June or July. This is a great sandwich spread and goes really well with blue cheese on your favorite cracker.

Organic Strawberry Jam- Now made with organic ingredients. It can be combined with balsamic vinegar and olive oil to make a wonderful salad dressing.

Organic Blueberry Jam- Organic ingredients make this jam a healthy as well as tasty addition to a batch of cookies or a delicious filling for your next jelly roll.

Organic Sweet Cherry Jam-

Available February 1, this will be a staple in your refrigerator. It is the perfect spread for toast in the morning.

Citrus Marmalades- Our new January flavors are grapefruit and orange marmalades which are made with Texas citrus and have a deliciously sweet flavor without the bitterness of normal marmalades. For variety, also try our Chocolate Orange Marmalade on your English Muffin!

Hot Pepper Jelly- This popular jelly includes jalapeno and serrano peppers. It does not include any

Green Tomato Relish- The green tomatoes and bell peppers are from the Gee garden in Walburg. We think it tastes like a really good dill pickle relish and is made to serve on your favorite hotdog, tamale or eggroll. For variety, try our Hot & Spicy or Garlic Green Tomato Relishes. **ON SALE!** Buy 3 of any combination for \$18

Prickly Pear Jelly- Hand-picked prickly pears from the Wallin Ranch in Burnet County are the basis of this special treat. It has a unique taste and gorgeous pink color. **ON SALE!**

Sally's Salsa- This is the popular salsa that Sally makes. It is a mild, smoky and slightly sweet salsa that is great if you don't want a lot of heat with your salsa!
