wildvinecanningintexas

This spring has been exciting for Sally and I. We have started selling our products at local shows (upcoming for May: Gruene Market Days) where we sold out of some of our favorite products which keeps us busy restocking our shelves. We would also like to welcome a new commercial customer, Slab BBQ and encourage everyone to visit their restaurant and food trucks. We are currently making the glaze for their awesome pork spare ribs.

April is the Strawberry season for Texas and we are lucky enough to get ours from award-winning growers in Poteet, Texas. I have talked with the growers, and they do not use pesticides on their strawberries! We are also closely monitoring the peach crop and will have products available for you soon.

## Texas Dewberry Jam

Sally and I are going out and picking our wild Texas dewberries. The jam will take you back to your grandma's dewberry pie with its complex raspberry/blackberry flavor.

## Texas Sunshine Jam

Yes, it looks like sunshine in a jar and combines the flavors of orange, onion and spicy serranos. Tasters say it's our best flavor yet!

## Teacher Gift Bag

Add \$0.50 to any jar and we will wrap it in special school spirit packaging that will please you and your student's favorite teacher.

## Green Tomato Relish Sale

Buy two jars in any combination for the price of \$12 during the month of May.

## New Organic Cherry Flavors

We have increased our variety of cherry flavors. Try the latest combinations of Spiced Cherry Jalapeno or Spiced Cherry Pecan. They add terrific flavor as a glaze on chicken, pork, turkey or beef.
